

Committed to clean

Welcome! We're committed to Airbnb's enhanced cleaning protocol, which has been developed in partnership with experts in health and hospitality. Here's what we've done to clean and sanitise the space:

- Approved products**
We use disinfectants approved by global health agencies to help prevent the spread of COVID-19
- Protective equipment**
We wore protective equipment, like a mask and gloves, while cleaning
- Thoroughly clean**
Each room has been cleaned following extensive cleaning checklists
- Cleaning supplies on hand**
We provide extra cleaning supplies, so you can clean as you stay
- Every surface sanitised**
All high-touch surfaces have been sanitised, such as doorknobs, cabinets and light switches
